NGUYEN

in the legislature

Alongside Sacramento County District Attorney Thien Ho and our sponsors the California District Attorney Association and co-sponsors Crime Victims United, I am humbled by the strength of Ms. Rosa, a survivor of attempted murder, who bravely shared her story with us. With AB 2576, we are taking a stand for accountability and the safety of our communities. By adding attempted murder to the list of crimes ineligible for mental health diversion, we reaffirm our commitment to justice.

Had the privilege to recognize my honorees for Women's History Month on the Assembly floor. The work that you are doing in the community truly make a difference and I am so honored to be able to acknowledge you and your efforts.

Kicked off DisCO at the Capitol! Proudly championing a budget letter request, I stand committed to ensuring that the voices and needs of every individual are heard and addressed. Together, let's build a future where diversity is celebrated, and every member of our community is valued and supported.

Small businesses are the true backbone to our community and I am honored to be able to accept the AAPI Community Champion award from the CalChambers. Community means so much to me, especially from the work that I have done and implemented since my years in the non-profit sector. Giving back has always been a passion of mine, even as an Assemblymember, I will never forget my roots!
