

STEPHANIE NGUYEN

Assemblymember, District 10

June Newsletter

As we head into Summer Recess, I am thrilled to share some exciting updates! June has been a remarkable month filled with significant milestones and engaging events. I am thrilled to announce that several of my bills have successfully passed out of Senate Committees. My district bill, AB 2301, was signed into law by the Governor, marking a pivotal step forward in our legislative efforts. Additionally, we recently convened one of two of the Select Committees on Mental Health Accessibility within Non-English Speaking Communities, concentrated towards AANHPI, addressing critical needs and ensuring inclusive support systems.

Finally, my district team and I hosted our second annual Youth Job Fair with over 300 attendees! We connected our talented youth with valuable opportunities across various industries. It has been a privilege to serve you this month, and I look forward to continuing our journey together. Thank you for your ongoing support and engagement!

A handwritten signature in blue ink, appearing to read "Stephanie Nguyen".

STEPHANIE NGUYEN
Assemblymember, District 10

In this newsletter you will find:

Legislative Updates, District Updates and Nguyen in the District!

LEGISLATIVE *updates*

“

Legislative reform relies on collaborative efforts. Employees should be safe from abusive employers and employers shouldn't be taken advantage of. We achieved a significant breakthrough on reforming the Private Attorneys General Act (PAGA). Together with Governor Gavin Newsom, legislative leaders and key business and labor groups, agreed to a balanced solution to strengthen PAGA. I am a proud co-author of this compromise. Let's continue paving the way for a more just and equitable California!

This month, my bills advanced to be heard in Senate Committees, and a couple are on the Governor's desk for signature! Below, you can find my bill package - just click on the bill number to read more about what the bill does. You can also see where its next stop will be. I am committed to transparency and keeping you informed about the legislative process. Your engagement and feedback are invaluable to me, and I encourage you to stay involved as these bills progress. Thank you for your continued support and advocacy. Let's keep pushing for progress and making a positive impact.

NGUYEN

in the legislature

As Chair of the Select Committee on Mental Health Accessibility within Non-English Speaking Communities, I was joined by my colleagues, community-based organizations, and community members and leaders. With this being the first of two hearings for this year, I appreciated hearing the emotional stories about individuals suffering silently. Due to stigma, mental health issues in AANHPI communities often go unnoticed and unaddressed. It is crucial that everyone has access to mental health resources in order to thrive.

It was truly an honor to see Willie Brown Jr. back on the Assembly floor to commemorate Willie Brown Day honoring his legacy on his 90th birthday. With more than twenty years combined serving both as State Assembly Speaker and Mayor of San Francisco, your leadership and dedication have made a lasting impression on our institution and state.

I presented Senator Ashby's SB 739 on the Assembly Floor. This bill will allow the City of Elk Grove to utilize a construction manager at-risk (CMAR) position for any construction contracts pertaining to the city's zoo project. This will ensure better efficiency and management during the construction of the project.

The Half Dome Team from Franklin High School was warmly welcomed for their outstanding accomplishments in cybersecurity, becoming the first Northern CA team to secure victory in the Air Force Association CyberPatriot National Competition and winning their fourth consecutive win in the NorCal Cyber Majors Cup. It was a privilege to host them at the Capitol.

Such a pleasure to welcome NFL Houston Texans QB, C.J. Stroud, to the Assembly floor. Thank you for representing California and your continued efforts to advocate for communities and families. Congratulations on all of your achievements so far!

The Sacramento Family Justice Center received recognition on the Assembly Floor, and I am proud to be a co-author of ACR 194. Serving as a pillar of the community, they provide unwavering support to abuse victims and advocate for justice tirelessly.

We paid tribute to a beloved legislator. Assemblymember McCarty adjourned in memory of Assemblymember Phil Isenberg and welcomed his wife and family to the Assembly floor to remember his legacy and all he's done for our community.

It is my favorite time of year! As someone who ran a non-profit I was thrilled to recognized Chicks in Crisis as my Non-Profit of the Year! Led by Founder and CEO, Inez Whitlow and Director Marya Cooley, they have continuously strived to help young mothers overcome many obstacles.

Stingers up! As a Sac State Alumni, I was honored to congratulate President Dr. Luke Wood, alongside Assemblymember Kevin McCarty, for launching the very first Black Honors College at Sacramento State. This paves the way for future leaders and scholars, furthering a commitment to inclusivity and excellence.

Celebrating Fathers' Day in District 10 by dropping off handmade ties to all of the fathers and father figures out there. You have shaped the lives of many in one way or another and I wanted to provide a small token of gratitude to remind you that you are absolutely tie-riffic!

To celebrate National Root Beer Day, my team and I hosted a Root Beer and Root Beer Float Drive-Thru for the community to come and get something refreshing on a warm day! Thank you to my incredible District team and super volunteers who helped make this event a huge success. I am grateful to provide this opportunity to encourage the community to come out and talk with me! Your voice is important; why not have a conversation over delicious treats?

Team Nguyen hosted its second annual Youth Job Fair! The success of this event could not have been possible without my District Team and the businesses that generously offered opportunities to the youth. Many young attendees walked away with internships, job offers, and newfound confidence in their professional abilities. We are committed to empowering the next generation and look forward to continuing this event in the years to come.

I had an amazing time at the 7th annual Bounty on the Boulevard, benefiting the Elk Grove Regional Scholarship Foundation! This event raises money for college scholarships distributed to local students each year. It showcases the strength of community and emphasizes the significance of investing in our next generation.

The Conference of Asian American Professionals (CAAPS) has advocated for and provided resources to API-owned businesses for the last 16 years. I had the privilege to attend their Red Carpet Awards Gala to recognize this year's recipients for their outstanding work in the API community.

Attended the 5th Annual Capital Cup Challenge to commemorate the 100th anniversary of the William Land Golf Course and support the Morton Golf Youth Program.

Ribbon cutting and grand opening for the first West Coast location of Hook & Reel! Congratulations to the entire team for this exciting moment. Here's to many successful years ahead at this new location!

Celebrating the 10th Anniversary of the ACC Greenhaven Terrace! I was privileged to acknowledge the commitment and service provided to our senior community. Your exceptional care for our loved ones is truly appreciated!

Acknowledging Captain Brandon Luke, Captain Ed Yee, and Deputy Captain Norm Leong for their outstanding contributions to our community. Your dedication to keeping our neighborhoods safe and secure is truly appreciated. It was a privilege to honor you for your achievements, and I sincerely wish you all the best in your retirement!

I was proud to allocate \$500,000 and kick-start the Meadowview Certified Farmers' Market! I joined the grand opening celebration with everyone who contributed to this achievement. Access to fresh food should be universal, and no one should struggle to afford to put food on the table.

Celebrating love in Sacramento! Attended the Pride Parade and had an amazing time. The vibrant event showcased the creativity of Sacramento's LGBTQ+ community. People of all ages and backgrounds came together to celebrate not only love, but acceptance and the strength found in solidarity. It was a day to remember - a testament to the power of love and the beauty of coming together in celebration.

Cardinal Health plays a vital role in the community, providing essential medical supplies across the state. I am thankful for the opportunity to observe firsthand how efficiently they guarantee prompt deliveries.

Attended the Annual Mama Bears Palooza Fighting Childhood Cancer. It was filled with an unspoken understanding and solidarity, as everyone shares a common goal. It's not just about fighting cancer; it's about celebrating life, cherishing every moment, and never giving up. The strength and love from the Mama Bears and their supporters are inspiring.

I attended the 20 Year Anniversary celebration of the Albie Rose Awards! It was a real privilege to be part of this significant milestone. Albie Aware is a nonprofit organization that offers vital assistance to individuals affected by breast cancer through financial aid, prevention education, advocacy, and compassionate support. Your dedication and hard work for those in the community facing this illness are truly admirable. With more than 1,000 people being diagnosed with breast cancer daily in the United States, your efforts are truly commendable.

Spent a wonderful day at Chorley Park's Second Annual Old Sunday with community leaders and members. Enjoyed taking part in the ribbon-cutting ceremony for the new play structure and relished the live music and performances by local community members.

Congratulations to the graduates of the Cosumnes Elk Grove Fire Academy! Your hard work, dedication, and perseverance have paid off, and today marks the beginning of a new chapter in your lives. As you step into your roles as firefighters, you carry the responsibility and honor of serving and protecting our community. Wishing you all the absolute best on your next journey!

It was an honor to participate in the graduation ceremony at Sun Yat Sen Chinese School! I had the privilege to provide remarks during their opening speeches and to award certificates to four outstanding graduates. Congratulations to all the students for their dedication and accomplishments! A heartfelt thank you to the teachers, families, and community for your continuous support.
