

STEPHANIE NGUYEN

Assemblymember, District 10

March Newsletter

March was an eventful month that included a March Madness Shootout, Breakfast with the Bunny, and commemoration of Women's History Month. I also had the privilege of presenting Assembly Concurrent Resolution (ACR) 150 to recognize March 2024 as Developmental Disabilities Awareness Month. From my personal experience, I had the opportunity to share my experience on the Assembly Floor alongside my daughter, of navigating the complexities of having a child with special needs.

I was so happy to have my daughter with me on the Assembly floor as I introduced ACR 150 for the month of March in honor of Developmental Disabilities Awareness Month. Thank you to my colleagues for their support by coauthoring this ACR and showing my daughter a huge welcome!

We followed ACR 150 with a press conference to recognize the commendable efforts of organizations like Alta California Regional Center and Warmline within the Assembly District 10 community.

in honor of Women's History Month, we take this time to reflect on the incredible contributions of women throughout history. From groundbreaking pioneers to fierce advocates, women have shaped our world in countless ways. Let's continue to strive for a future where every woman's voice is heard!

AB 1924 was heard in Local Government Committee and passed unanimously! AB 1924 will give any portion of Sacramento County the option to be included as part of the Sacramento Regional Transit (SacRT) service area.

Attorney General Bonta convened a press conference to discuss AB 3042 (Nguyen) that will eliminate the sunset date on Prop 69 funding. This legislation seeks to sustain the efforts of crime labs in resolving cold cases and exonerating the wrongly accused.

Had the opportunity to read to these kiddos in celebration of Read Across America! It's so important to bond with children over a great story book, letting their imaginations run wild as well as enhancing their literacy skills.

What a beautiful day to visit the Maple Tree Village and celebrate their grand opening ceremony! It was so heartwarming to speak with a few of the residents there and learn more about the activities they have for their residents. It's always great to know that your loved one is in the best hands!

Team Nguyen had such an amazing time throwing our first March Madness Shootout! We hosted a group of kids competing in three contests to win a prize -- free throws, 3-pointers, and jump shots! We then ended the day with a friendly Team Nguyen competition.

Binky the Bunny had a surprise visit at the Capitol to take a picture with the ladies! Nice to see everyone enjoying the hard boiled eggs and egg puffs! Thank you to all the members who came out to see Binky. Follow my social media handles of Instagram, TikTok, and Facebook which can be found at the end of this newsletter to see Binky at the Capitol!

It was a privilege to acknowledge Natalie Nguyen for her bravery in saving her father's life. I am thankful for the chance to recognize not only her, but also Lauren Beck, the dispatcher who assisted her during this challenging time at the 9-1-1 Heroes Award Ceremony.

To celebrate women's History Month, I recognized ten amazing women in Assembly District 10 for their immense efforts and hard work that they have done in the community, for the community in the business, non-profit, and public sectors. I am so proud to present a certificate of recognition to recognize and honor all the work they've done!
